Careers in Law

ARE YOU INTERESTED IN A CAREER AS A LAWYER?
DO YOU THINK YOU COULD WIN A COURT CASE?

Join us to find out! The Exploring Division of the Seneca Waterways Council and Woods Oviatt Gilman LLP host a Explorer Post focusing on careers in law. Students are given the opportunity to learn about the various types of law careers, pathways to get there and what can be done now to prepare. The experience culminates with a mock trial competition pitting your team against other local law firms. Do you have what it takes to lead your team to a win?

Benefits include:
- Mentor by industry professionals
- Work as team
