CAREERS IN Agriculture?

DO YOU DREAM OF A CAREER IN AGRICULTURE?
If you do, in conjunction with the Exploring Division of the Seneca Waterways Council, LandPro Equipment is hosting an Exploring Post which is geared to exposing young people to as many different aspects of Agriculture as possible throughout the school year.
Engaging, hands on experiences include:

- Agriculture process prep
- Plant and seed application
- Harvest
- Equipment recognition
- Local farm visits

We invite you and a parent or guardian to join us for the informational meeting.
