Joining Event
CAREERS IN
ENGINEERING?

DO YOU DREAM OF A CAREER IN ENGINEERING?
If you do, in conjunction with the Exploring Division of the Seneca Waterways Council, IBC Engineering P.C. is hosting an Exploring Post which is geared to exposing young people to learning about a career in Engineering through the experience of a hands on setting, during which they will:

- Learn how to problem solve for buildings.
- Learn how to design basic building mechanical and electrical systems.
- Learn teamwork while working on a group design project.
- Practice public speaking to present design project.
- Receive mentorship and career guidance from engineers

We invite you and a parent or guardian to join us for the informational meeting.

See you there,

Rob Hudson
IBC Engineering P.C.

Bradley Rickman
Exploring District Executive
