Careers In The Skilled Trades

DO YOU KNOW JUST HOW MANY OPPORTUNITIES ARE AVAILABLE FOR A CAREER IN THE SKILLED Trades?

Join us to learn more! The Exploring Division of the Seneca Waterways Council and GMR Associates, Inc. host a Skilled Trades Explorer Post. Students are given the opportunity to learn about the various skilled trades, participating in hands-on projects guided by those who work in the field every day. The Post meets at a different sponsoring contractor across the Rochester area. Sessions are held once a month throughout the school year.

Construction careers to include:
- Carpentry/Drywall, HVAC, Heavy Equipment, Roofing, Painting, Plumbing/Fire Suppression, Electrical, Masonry, Welding

Develop employability soft skills

Network with local industry professionals

Career guidance to include:
- Apprenticeship, Direct Employment, Higher Education

Overall promotion of education in the const

** SCHOLARSHIP OPPORTUNITY AVAILABLE **

We invite you and a parent/guardian to join us for the informational meeting.

See you there,

David Zollweg
Advisor, Post 555
