CAREERS IN Pharmacy?

DO YOU DREAM OF A CAREER IN PHARMACY?
If you do, in conjunction with the Exploring Division of the Seneca Waterways Council, Wegmans School of Pharmacy at St. John Fisher is hosting an Exploring Post which is geared to exposing young people to learning about a career in Pharmacy through the experience of a hands-on setting, during which they will:

- Learn how to problem solve
- Hands on Lab Techniques
- Receive mentorship and career guidance from REAL Pharmacists

We invite you and a parent or guardian to join us for the informational meeting.

See you there,

David McCaffrey III
Professor of Pharmacy
